# SERMON SUMMARY

## SERMON RECAP

**We Need The Rain (Proverbs 25:14):** This sermon focused on the tragedy of possessing gifts that aren't being used. Proverbs 25:14 compares this to "clouds with no rain." Rain/water was and still is critical for life to grow and be sustained. Our gifts, when we use them, through the power of the Holy Spirit, are life-giving. This verse also speaks about the importance of following through. We are not called to just be talkers, but also walkers. In other words, we shouldn't overpromise and under deliver. If we all actively use our gifts, we will have a "torrential downpour" and can function in a season of abundance rather than security.

## KEY POINTS

1. We Need Follow Through
  2. We Need To Be Truthful About What We Can Do
  3. We Need A Torrential Downpour, Not A Drizzle

## FOR YOU!

Remember to begin each Life Group session with a word of prayer. This curriculum guide contains a brief summary of the sermon of the week as well as the discussion questions for this week. Please keep in mind that the purpose of this curriculum guide is to cultivate deeper relationship with the Lord and each other through conversation that intentionally engages the sermon.

## LIVING IN FELLOWSHIP!

1. There are many gifts within the Body of Christ; music, preaching, teaching, prayer, generosity, discernment, etc. How has your life been enriched by someone else's use of their gifts?
2. Have you ever been a victim of someone under delivering on their promise? If so, tell us about that experience. What was the promise? How did their lack of follow through make you feel?

## DIVING INTO THE WORD!

1. Based on your understanding of scripture, why does God give us spiritual gifts?
2. Based on Proverbs 25:14, why is it vitally important for each of us to use our gifts? What happens when everyone in the church operates in their gifts?

## LET'S GO DEEPER!

1. Pastor mentioned that we all must know what we are gifted to do and what we are not gifted to do. Do you know what your gifts are? If so, what are they and how are you using them in the church?
2. Are there any ministry commits that you have you made that you are currently under delivering on? If so, what are they and what steps can you take moving forward to fully honor your commitment?
