SERMON SUMMARY

SERMON RECAP

Light For Every Step (Read: Psalm 119:105; Joshua 1:8): God's word is a "lamp to our feet" and "light for our path." One of the ways God speaks to us is through his Word. We do not have to walk blind or confused because God guides us! This means that knowing and meditating upon the Word is important! The word used for "meditate" means to "ponder, give serious thought to, possibly speaking in low terms reviewing material." Disciples muse over the Word. In Joshua 1:8, "Day and Night" is a merism that simply indicates "all the time." In all situations, God can speak to us through God's Word.

KEY POINTS

1. The Word Of God Gives Us Light (Understanding)
 2. We Must "Meditate" Upon The Word All The Time
 3. There Are Promises Reserved For Those Who Walk In The Light Of God's Word

FOR YOU!

Remember to begin each Life Group session with a word of prayer. This curriculum guide contains a brief summary of the sermon of the week as well as the discussion questions for this week. Please keep in mind that the purpose of this curriculum guide is to cultivate deeper relationship with the Lord and each other through conversation that intentionally engages the sermon.

LIVING IN FELLOWSHIP!

1. How has God's word been a guide for your steps (decisions) this week?
 2. What is your favorite Bible verse and why?
- 

LIFE GROUP STUDY

DIVING INTO THE WORD!

1. Psalm 119 is an anthem of praise about the power and importance of God's word. It's also the longest psalm in the Bible and the longest chapter in the Bible. This communicates that there is nothing more important than God's word. Why is God's word so important?
2. God's word is filled with promises for those who obey His word. Have you experienced any of them? If so, which ones?

LET'S GO DEEPER!

1. We are not only supposed to read the word, but we are also supposed to allow the word to read us. This means that the God's word should both comfort and correct us. How has God's word challenged and convicted you in this season of your life?
2. Pastor stated that sometimes instead relying on God's word to light our path we rely on our senses to try to feel our way along the path in the dark. Are there any areas of your life that you are trying to feel your way through instead of faith your way through? If so, what has kept you from relying on God's word?

LIFE GROUP STUDY

LIVE IT OUT!

1. This week, be intentional and designate 15 minutes in the morning, afternoon, and evening for meditating on God's word.
2. Memorize a scripture that encourages you in your faith.
3. Make a list of the promises that are associated with obeying God's word and remind yourself of them daily.
4. As God leads, share Sunday's sermon with someone to encourage them to spend more time in God's word.
5. Plan to attend worship service this Sunday and Refresh this Wednesday.
