

# My Consecration Calendar

Hi kiddos! God loves you so very much! Did you know there are things you can do to build your relationship with God? *Consecrating* or dedicating yourself to God's service, can better your relationship with God. Use this calendar as an example of ways to dedicate yourself to God's service. As you fast, pray and think about the goodness of God's love and thank Him for loving you so much!

Parents, feel free to add specific things you feel will help your child maximize this time of consecration. Additionally, please join the church wide Bible Reading plan, or listen to the recordings as a family.
